GENERAL INFORMATION

DoDI 1322.29 established the DoD SkillBridge Program, which provides transitioning Service members with the opportunity to develop job training and employment skills, including pre-apprenticeships, apprenticeships, and internships. SkillBridge is designed to facilitate the transition of eligible Service members into civilian sector occupations and careers with reasonable expectation and high probability of post-service employment and comparable living wage. SkillBridge is not to be used to further civilian education or for experiential purposes. Securing meaningful employment is the expectation.

All participation request are to be forwarded to, reviewed and authorized by the first field grade commander, O-4 or above, in the Service member's Chain of Command with UCMJ authority; Battalion/Squadron Commander. For those under civilian leadership, a GS-13 or above. This convening authority cannot be delegated.

Commanders are responsible for establishing and maintaining Service member accountability procedures for the duration of training.

ETHICS BRIEF COMPLETION
